

Let's Launch the Next Decade of  
Dreams—Together.

SPONSORSHIP OPPORTUNITY

As Higher Orbits proudly celebrates its 10th anniversary and prepares to launch the 100th **Go For Launch!** program on June 29, 2026, on the 10<sup>th</sup> anniversary that began a decade of inspiration & the very first program in 2016, we invite you to join us on this extraordinary mission to inspire the next generation of leaders, STEMists, and explorers.

We ask you to be one of 100 dedicated sponsors, as we aim to honor a decade of impact while fueling future possibilities through the power of space-inspired STEM education.

Your support will directly empower students to dream big, reach higher, and discover their limitless potential.

**Together,  
we can ignite curiosity,  
cultivate courage,  
and launch futures that  
will change the world.**

# Inspire the Next Generation. Fuel the Future.

## Why Your Support Matters:

### A Decade of Impact

- Celebrate 10 years of inspiring students through transformative space-themed STEM experiences.

### 100th **Go For Launch!** Milestone

- Be part of a historic program launch that continues to ignite young minds across the country.

### Space Inspires

- Space has the unique power to excite students, spark creativity, and foster a lifelong love of learning.

### Real Science, Real Missions

- Students design real experiments—many of which are launched to the International Space Station.

### STEM Education + Life Skills

- Programs teach more than science—students gain leadership, teamwork, and critical thinking skills.

### National Reach, Local Impact

- With programs in over 20 states, Higher Orbits reaches underserved and underrepresented communities.

### Life-Changing Results

- Alumni credit Higher Orbits with shaping their careers in aerospace, engineering, medicine, and more.

### Mentorship from the Stars

- Students work side-by-side with Astronauts and aerospace professionals for authentic learning.

### Hands-On Learning That Lasts

- Project-based experiences make STEM engaging, empowering, and fun.

### Invest in the Next Generation

- Your sponsorship directly supports students who will become the innovators, leaders, and explorers of tomorrow.

# Let's Launch the Next Decade of Dreams... Together.

We invite you to be part of an extraordinary milestone—celebrating 10 years of Higher Orbits and launching the upcoming 100th **Go For Launch!** event.

This is more than just an anniversary—it's a chance to invest in the future of STEM, leadership, and space exploration.
